VERSE 1

em *B7* *em*
A mission lies before us
am *em* *B*
To go and to proclaim

The glory of His name

The faint and weak He's chosen

His power to display

In fragile jars of clay

em *B7* *em*
With such a task before us

How can we stand and fight

That rage at all that's right?

God strengthens us with armor

Calls us to wield His Word

We boldly preach His gospel

The outcome is assured

^{em} ^{B7} ^{em}
So great the work before us
^{am} ^{em} ^B
To shine the gospel light

Into a world in darkness

Unto the dead of night

And says, "Let there be light!"

^{em} ^{B7} ^{em}
The labor hard before us
^{am} ^{em} ^B
The battle rages long

Alone we cannot bear it

Our foes are much too strong
^G ^{D7} ^G ^D
But God has chosen weakness

The feeble and the frail
