

Rest in Christ

Help me, Lord,

To grow in patience and long-suffering;

To learn more and more to rest in Christ.

Help me to remember:

- 1) God is absolutely sovereign. I must trust Him fully and not lean on my own understanding.
- 2) God is always good—always. I must look to the cross and remember: He loves me and will do everything needed to complete the good work begun in me.
- 3) God gave me life for His glory, not the pursuit of my own pleasure. I must walk in contentment, submissive to His will.
- 4) God never reveals my future or explains His decrees. I must walk by faith, not by sight.
- 5) God holds me responsible for all my thoughts, actions, and reactions. I must walk in humble obedience to His Word.

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law (Galatians 5:22–23).
