## VERSE 2

**It was God's plan to send His Son  
A gift of love and grace  
To save a people for Himself  
Out from our dying race  
Out from our dying race  
And thus to die Himself, He came  
To suffer in our stead  
And e'en before He bore the cross  
A manger was His bed  
A manger was His bed**

## VERSE 3

**Let us rejoice this Christmas day  
And share our gifts and love  
The Word made flesh has now appeared  
So sang the hosts above  
So sang the hosts above  
And thus a star and angel choir  
Announce His lowly birth  
The incarnation of the Lord  
God's love brought down to earth  
God's love brought down to earth**
