

THE KINGDOM HAS COME

[GUITAR CAPO III — Bb]

INTRO G | C | D7 | G [x2]

CHORUS The Kingdom has come
The King is on His throne
In all the earth He makes
His sovereign mercy known
Established in the hearts
Of all He's made anew
The Kingdom of God is now in you!

VERSE 1 Unseen the Conqueror comes
Removing hearts of stone
Opening eyes, bending knees
Establishing His throne
Making His glorious Kingdom known
A better Covenant
A better offering
For Christ has come, the Lamb of God
Our Prophet, Priest and King
To Him the sacrifice of praise we bring

CHORUS

The Kingdom has come
The King is on His throne
In all the earth He makes
His sovereign mercy known
Established in the hearts
Of all He's made anew
The Kingdom of God is now in you!

VERSE 2

Not born of flesh and blood
Nor by the will of man
To hear His call and heed His voice
You must be born again
To see His Kingdom and to enter in
For all those who dwell in
The Kingdom of heaven
From least to great, they know the Lord
Their sins have been forgiven
All in whom the Spirit dwells within

[REPEAT CHORUS]
