

# 37 FATHER, LIFT OUR EYES IN PRAYER

*For this reason I bow my knees ... to know the love of Christ which passes knowledge ... (Ephesians 3:14-19)*

1. Fa - ther, lift our eyes in prayer; We Your glo - ry would be - hold! \_\_  
 2. Lord, for - give our self - ish prayers; We for - get to Whom we pray, \_\_  
 3. Teach us, Lord, to know You well That we might have well to say. \_\_  
 4. Lord, re - move our thoughts from self; Warm our words with words Your own. \_\_

We need light to see Your hand As Your per - fect plan un - folds. \_\_  
 And in fol - ly bring ad - vice, Think - ing we know best the way. \_\_  
 Lift our thoughts to med - i - tate On Your glo - ry as we pray. \_\_  
 On the Scrip - tures, set our minds, When in prayer we seek Your throne. \_\_

Clear - ly let us see You Lord, \_\_ When we face dis - may or loss. \_\_  
 Show us, Lord, Your per - fect will, \_\_ Help us walk con - tent - ed - ly. \_\_  
 Do not let our prayers a - rise \_\_ With eyes fixed on want and need; \_\_  
 That we all may com - pre - hend \_\_ Width and length and depth and height! \_\_

In each tri - al let us see Not our cris - is, but Your cross. \_\_  
 You O Lord, know best the way; None, Lord, can Your couns - 'lor be. \_\_  
 Look be - yond, a - bove, and to Him to Whom we come and plead. \_\_  
 Ful - ly know the love of Christ! On our prayers, Lord, shine Your light. \_\_
